Name |

Online Promo Code |

Gift Closing Date |

You have been given 20 coupons for in-store use and 20 unique promo codes for online use (see above). Each coupon and promo code allows the user to receive 10% off one item. You may choose to use them yourself; however Nesting recommends that you share these discount offers with your friends and family. Your guests must mention your name at the time of purchase in order to earn Rewards from their purchase. Purchases must be completed by the date listed here in order for them to count towards your Registry Rewards.

Returns Accepted Until |

Please return any Nesting gifts by the date listed here. Merchandise that has earned you Rewards will not be accepted after this date.

Rewards Calculated By |

Within a week after all of your returns are made, Nesting will calculate the total amount of Retail Sales and Rewards discounts you earn from your Registry. Rewards are calculated before shipping and taxes. At this point, you'll be informed how many half priced items you've earned and how big of discount you get to take advantage of! You'll be able to redeem your rewards online and in the store until your Registry Closing Date listed below.

Registry Closing Date |

For your convenience, you will be able to shop online and in the store. You will be able to redeem Registry Rewards until this Closing Date. Your Registry Rewards will be voided after the Closing Date. In addition, your purchases are also eligible for Customer Loyalty Rewards: earn 20% off one item with every \$100 spent. Customer Loyalty Rewards may only be redeemed in February.
